# BUSINESS COMMUNICATION CERTIFICATE

Our Certificate in Business Communication consists of courses designed to develop a well-rounded communicator.

Learn how to form persuasive arguments, present information, and write error-free emails and documents.

Each self-paced course offers an assortment of interactive exercises, selected readings, and self-assessments.

## Course List: Why Communications?

- Communicating Collaboratively
- Effective Business Writing
- Effective Emails, Memos, and Letters
- Effective Presentations
- Effective Public Speaking

The ability to organize and present ideas is always in high demand. MindEdge's Business Communication Certificate prepares you to become a skilled communicator.

### Key Features:

Each course in the suite is expert-supported, accessible, and mobile-friendly, allowing you to earn badges and a certificate with successful completion.
